

The background of the entire page is a vibrant orange color. It features a complex pattern of thin, light-orange lines that form a series of concentric, slightly irregular circles or ellipses, creating a sense of depth and movement. A prominent white dotted line forms a large, irregular circle in the center of the page, framing the text.

Facility

- NC Milling & Machining
- Grinding
- Polishing
- Vibrator Finishing

To keep up with our performance, we never compromise on quality and this makes us the best in the industry. We have always kept up with technological advancements around the globe. Our mechanical shop has more than 400 processing machines with range from CNC machines, Vacuum heat treatment furnace, Vibrator finishing, Laser welding and NC milling machines to simple drilling machines to get the ultimate quality in processing like milling, drilling, grinding and polishing.

- Heat Treatment
- Hardness Test
- Setting
- Chemical Processing
- Passivation & Boil Test
- Bead Blasting
- QC Inspection
- Packing

Location

OUR HOME:

We are based in Sialkot The home of surgical, sports and leather industries, It is only 120 kilometers away from Lahore, the largest city of the Punjab. With its manufacturing focus and its commercial value, Sialkot offers the perfect place to visit and do busines. We will be delighted to greet you here.
